## EDWARD AUTEN, Jr., PRINCEVILLE, ILLINOIS

## Wholesale List, for Dealers and Growers only.

The Auten Originations include some of the finest varieties obtainable today, rendering many of the older standard kinds obsolete. Please read the descriptions in the retail list, study them carefully, and get the wholesale prices from the alphabetical lists on this sheet. The advantage of growing a stock of many of these top notch kinds should appeal to all. It is the up-to-date grower with an up-to-date list of varieties who is making money today. The Auten Originations give the opportunity to start a really high class list of singles and Japs, which are becoming more and more popular, and fine new doubles, especially the reds and whites. There have been very few worth while additions to the list of red Peonies outside of this list.

Stocks are still very limited. A widening demand for good Peonies should maintain the Auten kinds above the no-profit bedrock level of the older kinds for many years.

TERMS. Prices quoted are per one standard 3 to 5 eye division. Minimum order \$3.00. Cash with order, F.O.B. Princeville, Ill. We make no warranty as to growth as we control neither conditions nor care after sale.

Wholesale list of Standard kinds on separate sheet.
